

# Yellow Point Drama Group

Yellow Point Drama Group acknowledges that we are located within the traditional territories of the Stz'uminus and Snuneymuxw First Nations.

## **Thank You For Your Donation And Supporting Yellow Point Drama Group**

The Yellow Point Drama Group appreciates the tireless efforts of all our dedicated volunteer staff. Although fundraising and ticket sales contribute to our financial obligation of renting space in Cedar Community Hall, as well as costumes, script rights, music rights, props and sets, donations assist in covering the cost of producing and bringing exceptional live theatre to our community. Promoting your business through advertising in our posters and programmes, or through one of our levels of sponsorship, will help support our ongoing commitment to the community.

As a not-for-profit registered charity (**Registration number: 891534844 RR 0001**), all donations go to improving the theatre experience. Donations of \$20 or more can be used as an income tax deduction. We'll also acknowledge your gift on our publications and website, unless you would like to remain anonymous. Contact us at [yellowpointdramagroup@mail2Connect.com](mailto:yellowpointdramagroup@mail2Connect.com) and let us know.
