Thank You For Supporting The Yellow Point Drama Group

The Yellow Point Drama Group appreciates the tireless efforts of all our dedicated volunteer staff. Although fundraising and ticket sales help contribute to our financial obligation of renting space in Cedar Community Hall, as well as costumes, script rights, music rights, props and sets, Individual and/or Corporate Donations assist in covering the cost of producing and bringing exceptional live theatre to our audiences.

Promoting your Business through advertising in our posters and programmes, or through one of our levels of sponsorship, will help support our ongoing commitment to our community.

As a not-for-profit registered charity all donations go to improving the theatre experience. Donations of \$20 or more are issued an official receipt for income tax purposes. We'll also acknowledge your gift in our publications and on our website, unless you would like to remain anonymous.
